

Dear Prospective Preschool Family,

We're glad you're interested in our preschool program at Ute Pass Elementary! This packet includes information about our program, including hours, tuition, and application form.

We have a capacity for 15 children in our preschool class, so we will be filling those spots on a first-come, first-serve basis. Your child will be considered an applicant when you have the following items turned in:

- student application form
- birth certificate
- immunization record
- \$25 non-refundable deposit

(Other items will be due by the beginning of the school year. Children may not begin school until a current well-child form filled out by a doctor has been turned in.)

In-district applicants will be notified by letter or email regarding acceptance by the end of April. Out-of-district students will be placed on our waiting list. We will notify families if there is a spot available by the first week of August.

Please feel free to call, email, or visit with any questions. Thanks for your interest and we look forward to working with your family and your precious child!

Warmly,

Lynn Grieb, Preschool Teacher/Director
