

The After School Program ***Ute Pass Elementary*** ***Feb - May 2018***

Classes fill quickly- Register Now!!
Forms due in main office by Tuesday, February 6

TAP was created in 1988 to enrich students' lives by extending learning beyond the normal curriculum. All programs are organized and sponsored by the PTO. ****Scholarships available** All classes are after school from 2:50–4:00 pm at UPE. Bus service provided unless otherwise noted (does not include Manitou).**

STAR (Study Time and Review) with Mr. Difiore

Cost- FREE

Who- 3rd to 6th grade students

When- Tuesday and Thursdays **Classes run all year long**

A place for students to do all things academic. Receive guidance on homework, study with others, or catch up on things not understood in class. **You don't need to register.** Show up when you need help or want to work.

Winter Nature Detectives with Kristen Kubina

Cost- \$5

Who- K, 1st and 2nd grade students

When- Thursdays, Feb 15, 22, Mar 1, 8, 15 (5 classes total)

Discover how to be a nature detective from a real naturalist! Learn to look for clues left behind by our furry and feathery friends. **NOTE: Students will spend time outside. Wear warm shoes, coat, hat, and gloves. Please sign the permission slip on the registration form so children can walk off school grounds to do their nature detecting!**

Story Writing & Book Making with Miss Dick and Mrs Romano

Cost- \$5

Who- 3rd to 6th grade students

When- Thursdays, Feb 8, 15, 22, Mar 1, 8, 15 (6 classes total)

Do you like to write? Do you love inventing stories? Have you always wanted to create your own book? Come to this class and learn what makes a great story. We'll study how to design books that GRAB your audience! At the end, you will have a chance to share your book so the whole school can have a look at your creation.

Pokemon Club with Kyle Blasi

Cost- FREE

Who- 1st - 6th grade students

When- Tuesdays, Feb 13, 20, 27 (3 classes total)

Trade, play, and create. Make a Pokemon craft, then bring your own cards (or use ours) to have some poke-fun! No experience necessary. Join us to spend time with your friends and have fun with Pikachu!

Rockin Robotics with Mr DiFiore

Cost- \$10

Who- 4th, 5th and 6th grade students

When- Fridays, Feb 9, 16, 23, Mar 2, 16, Apr 6, 20, 27, May 4, 11. (10 classes total).

NOTE: No class Mar 9, early-out day. No class, Apr 13, 4th grade returning from overnight field trip.

Students will learn to design, construct, and program robots using EV3 robot kits. You will have a chance to work both on your own and in teams to learn about the exciting world of robotics!

Makers Club with Karin Swengel from Ute Pass Library

Cost- FREE (provided by Pikes Peak Library District)

Who- K - 3rd grade students

When- Fridays, Feb 9, 23, Mar 2, 16, Apr 6, 20, May 4. (7 classes total).

Do you love to build crazy contraptions? Do you love making messy art or having fun with weird experiments? Then join the makers club. Every class will be a blast!

Lantern Making with K&E and Joel from Concrete Couch

Cost- FREE

Who- 2nd to 6th grade, students in K-1 need to be accompanied by a parent

When- Mondays, Mar 5, 12, 19, Apr 2, 9 (5 classes total). **NOTE:** Parade is Friday Apr 13 in Manitou Springs

Help represent Ute Pass Elementary in The Lantern Parade, a Manitou Springs Tradition. Concrete Couch will help kids turn their ideas into illuminated lanterns. Make it wild, make it wonderful. We will work it into a lit up, fantastic creation. Most materials provided, but please send your child with a flashlight or headlamp.

Performing Arts with Cassandra MacDuff

Cost- \$10

Who- 1st - 6th grade students, all abilities welcome (including special needs)

When- Tuesdays, April 3, 10, 17, 24, May 1, 8, 15, 22 (8 classes total)

Kids will have a blast creating and performing a themed show on the Ute Pass Elementary stage. Do you enjoy dancing, acting, singing, or designing sets and props? ****All abilities welcome**** **NOTE:** Parents are invited to view the performance on the last day of this exciting after school program! Performance: May 22nd.

3-D Modeling with Mr. Weimer

Cost- \$10

Who- 4th - 6th grade students

When- Tuesdays, April 3, 10, 17, 24, May 1, 8 (6 classes total)

Design and create objects with a 3D printer! Come up with your very own invention or design your own game (with pieces). Then print the objects on a 3D printer. In this class, you will learn to create 3D models on the computer, learn about the components of a 3D printer, and go deeper into how the process works.

Register early! Classes have limited space and fill quickly! Contact upetap@yahoo.com for more information.

Ute Pass Elementary School - The After School Program (TAP)

Agreement: When you enroll your child in TAP at Ute Pass Elementary, you are giving your child permission to participate and will ensure he/she attends regularly. If bus service is *not* provided, parents must arrange to have their children picked up ON TIME per the class times listed on the flyer. A childcare fee may be assessed for children not picked up within 5 minutes after the end of class. You and your child understand that disruptive behavior will not be tolerated and may result in temporary removal from the TAP class or dismissal from the program. Fees are not refundable should your child drop out or be dismissed for any reason. Full and partial scholarships are available on a limited and confidential basis. Proof of need is not required; simply fill out the space on the enrollment form to request a scholarship. Class sizes are limited. Slots will be filled each day until the maximum class size is reached. Confirmations will be sent by email at a later date. If you have questions, please contact the school or email upetap@yahoo.com. **By signing, both parent and child understand and will comply with the Agreement for The After School Program:**
