PINNACOL ASSURANCE FIRST REPORT OF INJURY FORM INSTRUCTIONS

1. Report all work-related injuries within 24 hours! Quick reporting can significantly reduce the total cost of the claim. Our **goal** is to get your employee back to work as quickly as possible and reporting within 24 hours streamlines that process. Report the injury to Pinnacol Assurance even if you question whether the injury is truly job related. Provide information as to why you question the validity of the claim.
2. This form is a guide for reporting injuries by phone, or fax using the numbers on the front of this form. Online reporting is fastest. To report online, go to www.pinnacol.com, select "Quicklinks," then "Report an Injury." The employer or authorized representative should report the injury to Pinnacol Assurance; please do not have the injured worker complete this form.
3. Within 7 days after notification of an injury, the employer is required to provide the injured worker with a list of four medical providers who have been designated by the employer to provide medical treatment for the injured employee. The injured worker must choose one of the designated providers from this list. Designating providers from Pinnacol's SelectNet list helps ensure your employee is seen by an occupational medical provider knowledgeable about the workers' compensation system and return to work issues. If you do not have four designated providers, call Pinnacol for assistance.
4. When reporting a claim by phone or the Internet, a copy of the completed form will be mailed to you for your records. Please review the copy to ensure all information is correct. If changes are needed, please contact Pinnacol's claim representative assigned to the claim.
5. If the injured worker owes court ordered child support, compensation benefits may be attached and payment of the child support obligation may be withheld and forwarded to the obligee. (C.R.S. 8-42-124 & 26-16-122(4))
